

PUBLIC NOTICE  
PUBLIC HEARING FOR GRANT APPLICATION

The City of New Rochelle is preparing a grant application to Empire State Development Corporation (ESDC). ESDC has invited NYS municipalities to participate in the Restore NY Communities Initiative for the sole purpose of revitalizing urban areas and stabilizing neighborhoods. The City of New Rochelle is submitting an application to obtain funding for, among other things, the development of vacant, abandoned, surplus or condemned commercial and/or residential buildings as defined in the funding application.

**Description of the Proposed Action:**

The proposed action is the application of a grant titled "Restore NY" to seek funding to offset the City's costs related to parcels located in the Echo Bay Waterfront Redevelopment project area as per the Property Assessment List that describes those properties outlined in the application.
