Televisions, Computers & Printers

BY APPOINTMENT ONLY
2ND SATURDAY - NORTH END ONLY
3RD SATURDAY - SOUTH END ONLY
(Include WEST and EAST ends)
Call 914-235-5830 during your collection week, before Thursday at 3:00 pm to schedule a pickup. Place curbside by 7AM.

Appliances & Heavy Metal Items

WEDNESDAYS by Appointment ONLY
There will be NO Appliance pickup during HOLIDAY weeks. Call the Bureau of Sanitation before noon on the Tuesday before collection at 914-235-3593. Place items curbside by 7AM (6AM during summer months)

Refrigerators, freezers, dehumidifiers or air conditioners require a sticker for Freon removal* prior to pickup.

- Freon removal stickers are sold at the City Clerk’s Office at City Hall (phone 914-654-2159) for $25.
- After obtaining the sticker call 914-235-3593 to schedule an appointment for pickup.
- Place sticker on the refrigerator/freezer or air conditioner and place items curbside by 7AM (6AM during summer months).

* As an alternative, residents may have their own licensed contractor remove the Freon gas and place their company sticker on the appliance.

Paint

Paint must be hardened for collection – no liquid paint is accepted. To harden paint:
- Add an absorbent such as cat litter to paint, mix and let sit until set (the more absorbent the quicker the paint will harden – usually a few days)
- Once hardened, place at curb on trash day with tops off alongside other garbage but not in a garbage can or plastic bag so the sanitation crew can see that paint is hardened. Discard can tops in regular garbage.

PROHIBITED ITEMS

THESE MUST NOT BE DISPOSED OF IN GARBAGE OR RECYCLING (see page 3)

- **Wednesday:** North side of Metro North Railroad to the south side of Eastchester Road, Beechmont Drive and Barnard Road.
- **Thursday:** South of Metro North Railroad.

If a holiday occurs on any of the scheduled pickup days, Friday is the alternate pickup day.

After October 29th, yard waste will NOT be collected and should not be mixed with fall leaves. Residents are responsible for disposal of any remaining yard waste.

**SNOW EMERGENCY REGULATIONS**

Please follow these guidelines for the winter months.
- Property owners or occupants must keep sidewalks and fire hydrants clear and clean from snow, ice and dirt.
- Snow and ice must be removed from sidewalks abutting their property and fire hydrants before noon of the day after any snowfall which occurs during the night.
- Blocked Driveways: During snow plowing operations, the snow from the street will end up in front of driveways as Public Works crews clean up. DO NOT SHOVEL SNOW BACK INTO THE STREET. Instead, pile snow curbside.

**IN THE EVENT OF A SNOW EMERGENCY, ALL VEHICLES PARKED ON A SNOW EMERGENCY ROUTE MUST BE REMOVED.**

**STORM CENTER HOTLINE**

To report downed trees after a major storm call the DPW/ Streets at 235-4029 during business hours 7:30AM - 3:30 PM. After hours, call New Rochelle Police non-emergency line at 654-2300.

## FALL LEAF COLLECTION
**OCTOBER 12TH – END OF DECEMBER (weather permitting)**

The City will collect place bags/containers at curb anytime for weekly pickup as follows – Collect your fall leaves in paper yard waste bags and/or open containers, place at the curb ANYTIME and leave at curb.

**Transfer:** Landscapers can bring leaves to the City’s transfer site. Coupons available at the City Clerk’s office.

**NORTH END**
- **Monday:** North side of Quaker Ridge Road to Scarsdale border.
- **Tuesday:** North side of Eastchester Road, Beechmont Drive and Barnard Road, to the south side of Quaker Ridge Road.

**SOUTH END**
- **Wednesday:** North side of Metro North Railroad to the south side of Eastchester Road, Beechmont Drive and Barnard Road.
- **Thursday:** South of Metro North Railroad.

If a holiday occurs on any of the scheduled pickup days, Friday is the alternate pickup day.

There will be no collection Thanksgiving week. Yard waste collection concludes October 29. Do NOT mix yard waste with leaves.

**Why not try Mulch Mowing?**

Mulch mowing is the environmentally-friendly alternative that provides healthy nutrients for lawns and garden beds. Visit www.newrochelleny.com/leaf for more info.

## STREET SWEEPING

Alternate side parking regulations clear the streets for sweeping. Please observe the parking rules in your neighborhood.
- From January 1 - March 31, alternate side of the street restrictions are suspended for the period on those streets listed in the City Code.

## POTHOLES

To report a pothole or paving problems call (914) 235-4029.

## ADOPT A STREET

Launched in 2016, Adopt-a-Street focuses on the beautification of corridors within and surrounding business districts. Application is open to New Rochelle businesses, not-for-profits, civic groups and governmental entities. For more information visit www.newrochelleny.com/adoptastreet

## CHRISTMAS TREES

Christmas trees must be stripped of tinsel and ornaments and must be placed at the curb by February 5. NO PLASTIC BAGS PLEASE.

**STORM CENTER HOTLINE**

To report downed trees after a major storm call the DPW/ Streets at 235-4029 during business hours 7:30AM - 3:30 PM. After hours, call New Rochelle Police non-emergency line at 654-2300.

Stormwater Management

Solutions to Stormwater Pollutions

**In and around your home**
- Recycle or properly dispose of household products that contain chemicals, such as insecticides, pesticides, paint solvents, and used motor oil and other auto fluids. Don’t pour them into the ground or into storm drains.
- Sweep up litter and debris from sidewalks and driveways, especially around storm drains.

**Auto Care**
- Washing your car at home and dumping automotive fluids into storm drains sends them directly into our waterways.
- Use a commercial car wash, or wash your car in your yard so the ground absorbs the water.
- Repair leaks and dispose of used auto fluids and batteries at designated drop-off or recycling locations.

**Lawn Care**
- Excess fertilizers and pesticides applied to lawns and gardens wash off and pollute streams. In addition, yard clippings and leaves can wash into streams.
- Don’t overwater your lawn. Find the amount of water your lawn needs using United Water’s ET Lawn Watering Guidelines [www.unitedwater.com/et-lawn-water.aspx](http://www.unitedwater.com/et-lawn-water.aspx)
- Use organic mulch or safer pest control methods whenever possible.

**Residential Landscaping**
- Concrete and asphalt don’t allow water to soak into the ground. Permeable pavement systems allow rain and snowmelt to soak through, decreasing stormwater runoff.
- Collect water from rooftops in Rain Barrels, and use for watering lawns or gardens.

**Sewer Backups**
A sewer backup can be pricey, and can also cause property damage. Homeowners are responsible for the maintenance of their sewer lateral (a pipeline that runs between the house and the city sanitary sewer, usually located in the street). Homeowners Insurance **does not** cover sewer backup. A special sewer backup coverage must be purchased to be covered. Damage can be caused by tree roots and blockages over time. **Homeowners can take these steps to prevent sewer backups:** disposing of grease & paper products properly, installing a backwater prevention valve, or replacing sewer lines with plastic pipes.

For more information: [www.newrochelleny.com/sewerbackups](http://www.newrochelleny.com/sewerbackups)

“**Slow Down to Get Around**” isn’t a suggestion—it’s the law!

The “Move Over” law requires drivers to use care, slow down and safely move over when approaching law enforcement vehicles, fire trucks, ambulances, tow trucks, construction and maintenance vehicles stopped along the roadway AND Sanitation and Recycling trucks! Please exercise caution while approaching our work crews and equipment. Help them to be safe while doing their job to help all of us.

**New Rochelle LELE**

“**Love ‘em and Leave ‘em**” mulch mowing initiative reduces organic yard waste

The City of New Rochelle’s “Love ‘Em and Leave ‘Em” mulch mowing campaign is a sustainable alternative to raking and bagging that will add valuable material back to lawns and gardens. The benefits of mulch- mowing (shredding in place) include:
- A healthy property
- Saving time and effort
- Helping the environment

**Plant a street tree in your neighborhood**

New Rochelle’s tree planting program is underway. Apply now for a tree in your neighborhood! Visit our website to choose from a variety of native trees.
