INSTALLATION AND/OR MODIFICATION OF PETROLEUM BULK STORAGE TANKS

2020

The undersigned hereby makes application to *INSTALL, REPLACE, or MODIFY* Petroleum Bulk Storage Tanks, and or *EQUIPMENT*.

Installation will meet the requirements of Chapter 57 of the Fire Code of New York State, New York State DEC Petroleum Bulk Storage Part 614 and NFPA 30 (Flammable and Combustible Liquids Code).

No outside above ground tanks will be permitted. (An Inspection of equipment is required before placing in service.)

Replacement or relining of gasoline tanks and construction of pump islands requires compliance with Chapter 57 of the Fire Code of New York State.
