New Rochelle's Local Waterfront Revitalization Program (LWRP) is a community-prepared plan that provides policy and land use recommendations for the City's waterfront. The City of New Rochelle is undergoing a public process to update the City's LWRP.

*Come to the second Public Workshop to provide your input!*

Please join us on Wednesday, February 3, 2016 to:

- Review potential projects and policies for inclusion in the LWRP
- Learn how the LWRP can help encourage waterfront improvements
